7TH TRIENNIAL CONSULTATION

SPECIAL INVITATION

THE PHILIPPINES

10TH to 14TH September 2018

The Philippines has been chosen to host the Micah Global 7th Triennial Consultation. What an opportunity for Christian ministries all around this amazing country! We warmly invite your participation in this important international gathering.

THEME: Integral Mission and Resilient Communities: addressing poverty, injustice and conflict

The media tends to focus on sudden large disasters, yet miss the profound reality that a majority of people who die unnecessarily each year, die from local events and systems that don't reach our news reports. Those hardest hit are from poor and often marginalised communities, who have received limited-to-no support. Compounding this is the ever-reducing availability of resources, both international and national, that can be drawn on for the meeting of basic life-saving needs. Even when aid is supplied, building the community capacity to become more resilient for future shocks is limited. Unjust systems continue to be the cause of poverty cycles, death and conflict.

RESILIENCE

The ability to recover quickly from difficulties, the ability to cope with the life shocks and challenges.

RESILIENT COMMUNITIES

The sustained ability of a community to draw on available resources to withstand, respond to and recover from adverse situations.

MICAH AND INTEGRAL MISSION

Recognising that a reconciled community has the greatest capacity to work together for the healing and restoration of its people, we centre our mission in Christ, so that all we do and say has a transforming impact, enabling **communities to live life in all its fullness, free from poverty, injustice and conflict.**

WHO SHOULD ATTEND?

Micah seeks to create a platform for Christian ministries to meet, share and consult one another on relevant global and contextual issues and concerns, through the lens of integral mission.

This global consultation is important and relevant for all those involved in the theology and practice of missional transformation through relief, rehabilitation, development, advocacy, reconciliation, environmental care and justice ministries.

It is often around the tables at meals and other connecting times that the best collaboration occurs. Organisations have changed their entire strategy after participating in a Micah Consultation - so come prepared to be inspired, challenged and changed. Come to share your experiences and knowledge so that others can learn from you.

WHY SHOULD YOU ATTEND?

At the heart of Micah is our passion for **integral mission**. Christian ministries coming to learn together how we can:

- Effectively respond to the travesty of poverty, injustice and conflict in such a way that God's Shalom is evident in word, deed and signs
- Discern theologically and practically together to speak and act with prophetic authority so as to disciple our nations and hold leaders to account for their responsibilities for the flourishing of humanity and all of creation
- Walk together in humility, serving one another as we seek to enable the local church to be the agent of change in each community

AND ... this GLOBAL gathering is in your very own country this time, making access so much easier as you will not face those massive international travel costs.

DATES AND TIMES

Monday, 10TH to Friday, 14TH of September 2018
